

## Check if your bubbles are used correctly

Co-funded by the  
Erasmus+ Programme  
of the European Union

I use the correct type of bubble for each piece of text (speech, thinking, spiky)

---

I cut longer texts in double bubbles when it makes it easier to understand.

---

Tails point to the characters' mouths

---

Bubbles do not hide characters' heads

---

The tails of the bubbles are centered

---

The tails of the bubbles are not too big

---

The tails are consistent

---

Tails do not cross

---

There are no tangents nor near tangents

---

Bubbles are not cut at their widest point
