

Copyright in the EU

Spend 20 minutes researching European copyright legislation to enrich your knowledge. After having seen an overview of the EU-wide legislation, conduct your own research about legislation on copyrights in your country and answer the following questions.

1

Does your country already have a legislation regarding copyrights? If yes, has it already been harmonized with the European one?

2

How does this framework apply in your country?

3

Research online and find 3 webcomics. Check their website to see whether they fall under creative commons license.
